

## JANUARY 2023 OPEN PLAY SCHEDULE

Starting on January 2nd, our basketball gym will be closed for renovations and there will be no Open Play for about 5 weeks. We are looking to have the floor completely refinished, add new Club logos, and paint updated court sports lines. We are also replacing our scoreboard and wall pads, bringing a much-needed refresher to our facility. We are thrilled to see the results come mid-February. We thank you for your patience with us on these big projects and are excited to see members get to use a facility that is as great as you all are.

*Thank you!*
