

1910

RESTAURANT & LOUNGE

In honor of our rich history and bright future, we welcome you to 1910. 1910 celebrates the present and the future with Northwest fresh plates, shared plates, and rotating specials in a casually elegant, classically cool setting.

In 1910, the historic Kirtland Cutter-designed Clubhouse on Riverside was completed. Built from the ashes of the Great Fire of 1889, the Spokane Club outgrew two previous locations before finding its forever home on the corner of Riverside and Monroe.

1910 is your place to grab a bite, catch up with old friends, meet new ones, and celebrate all the good there is in life.

Cheers to roots and wings!
